7.3.1 Portray the performance of the institution in one area distinctive to its priority & Thrust within 1000 words.

7.3 Institutional Distinctiveness: STUDENT AID SCHOLARSHIP TO ECONOMICALLY BACKWARD MERITORIOUS STUDENTS IN THE INSTITUTION.

Janatha Education Society (JES), the parent body of our institution, is a registered society, started in the year 1972, through the initiatives of a few educationists & philanthropists, with motto of providing education at affordable cost. It is presently managing 15 institutions at 4 different campuses. All the institutions are named after the great philosopher & the youth icon, Swami Vivekananda, in order to inspire the youngsters to emulate his noble principles, which are cherished all over the world.

It has been the experience of JES that during the admission process of various institutions managed by it, that some of the applicants seeking admission belong to the poorest of the poor. Some of the applicants are also from nearby rural areas, and have to commute everyday to pursue their education. It was evident that the parents experienced great difficulties to admit their wards to the college. It was also doubtful as to whether they could financially sustain completion of study of the 5year/3year LL.B. Programmes. This plight of the parents set some of the members of JES with a philanthropic bent of mind, to contemplate about the measures that could be adopted by the institution to reduce the burden of such parents by lending financial support to atleast a few of the students with merit. Thus was conceptualized a novel scheme called the STUDENT AID FUND SCHOLARSHIP awarded by JES to deserving meritorious students. Through this scheme, JES is fulfilling the cause of social justice.

The corpus fund for granting student aid scholarships was constituted through voluntary magnanimous donations made by the founding members of JES, deposited in the bank & the proceeds to be utilized for granting scholarships to some of the economically backward meritorious students of the 15 educational institutions managed by it.

The JES dispenses the Student Aid Fund Scholarship through a body constituted by it, viz., the Student Aid Committee.

The Student Aid Committee notifies each of the 15 institutions to call for applications from students for grant of Student Aid Scholarship, every academic year. The Committee then holds a meeting with all the heads of institutions to determine the number of applications received. Based on the strength of each institution, the Committee decides through a resolution, the number of beneficiaries from each institution for conferment of Student Aid Scholarships. Each of the institutions thereafter identify & shortlist deserving students by taking into consideration their merit & level of economic backwardness & recommend the same to the Student Aid Committee for due approval & sanction.

The Student Aid Committee on a designated date holds an interview with the eligible students & their parents to determine the veracity of the matter & finalises the list of students for grant of scholarship in a uniform & fair manner.

The institution through the scheme of Student Aid Scholarship seeks to achieve a number of objectives. Prime among them are:

- The Constitutional goal of equality.
- To serve the cause of education.
- To provide financial aid to economically backward students irrespective of caste, creed or gender.
- To provide financial security for poor meritorious students to sustain & complete their 5year/3year Programme of study in the institution.
- To perform social obligation towards the society.
- To foster community development.

JES has completed 50 years of glorious service in providing education on a non-profitable basis. This apart, the Education Society has also successfully carried out the motto of the institution conceptualized through its Student Aid Fund Scholarship to extend financial support to those sections of the people who suffer from socio-economic inequalities. This translates into empowerment of marginalized communities to effectively participate in various activities.

This venture of JES has attained success due to the stringent financial planning of educationists & philanthropists in the Education Society. The generous donations of money by the philanthropists to the corpus fund has facilitated the institution's ability to operate in a manner conducive to promote social welfare, especially to protect the interests of the economically weaker sections, irrespective of caste, creed, gender or any other artificial discrimination.

The Student Aid Fund Scholarship Scheme of JES is both INNOVATIVE & UNIQUE in the sense that it is not only available to students with merit & economic backwardness but also for those who do not enjoy the benefit of government endowed scholarship schemes based on caste or gender.

Thus, the Student Aid Fund Scholarship awarded is NOT A MERE FINANCIAL ASSISTANCE BUT A TESTIMONIAL OF MERIT CUM ACADEMIC ACHIEVEMENT.

The philanthropists have immortalized themselves by providing financial support to a substantial number of needy meritorious students to pursue their education. This rich legacy of the philanthropists has had a cascading effect & resulted in augmentation of corpus fund from time to time through more donations. Hence, there has been a corresponding increase in the number of beneficiaries, which is immensely satisfying.

The positive impact of this scheme is that the fruits of financial assistance will be enjoyed by generations to come. It will in turn create long lasting changes in the society by creating a fairer world, where everyone shall have equal opportunities & access to resources. It drives home the message that after all, education is not mere academic pursuit, but holistic development through inculcation of values in youngsters, which is in accordance with VISION of our institution, i.e., to attain perfection through education.

Philanthropy benefits the donor & donee, the donor with a sense of purpose & fulfillment, the donees with an obligation to give back to society, what they have themselves received. The society will then be re-infused with various life skills, such as large heartedness, generosity, compassion, positivity, altruism, gratitude & so on. It will open more doors of assistance & provide opportunities to become better human beings.

It is immensely satisfying to state that in the past five academic years, the Education Society has conferred Student Aid Scholarships of Rs.7,000/- each, totally amounting to Rs. 3,01,000/- to 43 students of our institution.\*

This scheme is a small step taken to reduce inequalities, enlarge opportunities, support growth and spread progress & prosperity.
