### **5.4.1 QIM There is a registered Alumni Association that contributes significantly to the development of the institution through financial, teaching, mentoring and/or other support services.**

Alumni association plays an important role in maintaining a strong relationship between the college and its alumni. Alumni association provides a platform for alumni to stay connected with the college and fosters interaction between the alumni, institution, students and the industry. The alumni association is an extension of the goodwill of the institution and strengthens the bonds between alumni, faculty, and students and creates a vibrant and supportive community that benefits everyone involved. The Alumni Association plays a pivotal role in bringing fresh admissions to the college every academic year. Some of the members of the Alumni extend their benevolent hands in lending financial help to the needy students. They have also been instrumental in successfully organizing the webinar series during the COVID-19 pandemic which benefited the student community. Alumni association also provides opportunities for current students to interact with successful alumni who act as mentors and provide guidance in their career paths. This connection helps students to gain a better understanding of the requirements of the profession and improves their chances of finding employment after graduation.

The institution involves the members of the alumni association to organise various curricular and co-curricular activities. The Institution is honoured & proud to receive the services of its alumni who have been elevated as the Honorable Judges of High Courts & Subordinate Courts, Senior Counsels, Eminent Advocates, Members of Parliament, and Academicians. The rich alumni motivates and inspires our students to excel in their chosen profession.
