**Course Outcome: Youth and Nationalism**

By completing this course, students will gain a comprehensive understanding of the role of youth in shaping national identity and driving social and political change. They will explore historical and contemporary movements, examining how nationalism influences cultural, economic, and political contexts. The course fosters critical thinking, enabling learners to analyze the dynamics of patriotism, diversity, and inclusion within the framework of nationalism. Students will develop leadership skills, a sense of civic responsibility, and the ability to engage in constructive dialogue. Ultimately, they will be empowered to contribute positively to nation-building while promoting unity and social harmony.
