Subject: Application for Correction in the Mark Card of 4th and 6th Semester
(discrepancy of total number and number of subjects in 4th semester mark card).

Respected Sir/Madam,

Concerning the above subject line, I would like to draw your attention to the fact that my 4th semester mark card shows a grand total of 221 with 5 subjects, however my final degree mark card only shows 169 out of 400 (i.e. 4 subjects) for the same semester. This indicates that the overall marks for the fourth semester on the final mark card should be 221, rather than 169, which is a significant difference.

Also, I want to inform you that I have initiated my registration with Bar Council of Delhi and this discrepancy has been highlighted in my pre-review as well. In addition to this BCI will soon announce the All India Bar Examination in upcoming weeks.

Therefore, I kindly ask for the updated and accurate mark card to be sent through Vivekananda College of Law in order to complete my enrollment for the upcoming All India Bar Examination.

Included with this correspondence are copies of my 4th, 6th semester mark card, Passing certificate, and PDC for your records.

Thanking You,
