Report on Dry Waste Collection Drive
13.02.2024

A Dry Waste Collection Drive was organized by the Eco Club and NSS Unit of Vivekananda College of Law in association with the WOW Foundation, ITC Bengaluru, as part of an Environmental Protection and Health Awareness initiative.

The event aimed to highlight the connection between a clean environment and good health. By encouraging students to exchange dry waste for stationery items, the drive promoted not only waste reduction and recycling but also emphasized the importance of maintaining a hygienic and pollution-free environment to support better public health.

An exhibition of decorative items made from waste paper was also held, demonstrating how recycling can lead to creative and eco-friendly solutions. These efforts underscored the role of sustainable practices in reducing environmental hazards, which directly contribute to improved air and water quality, thereby preventing health issues caused by pollution.

The initiative was well-received, and participants gained a deeper understanding of how proper waste management supports both environmental and personal health. This program successfully inspired the college community to adopt sustainable habits that benefit both the planet and individual well-being.
