INSTITUTIONAL DISTINCTIVENESS

Key Indicator- 7.3 Institutional Distinctiveness

Student Aid Scholarship to economically backward meritorious students in the institution

The Janatha Education Society is a registered society started in the year 1972 by a few educationists & philanthropists with a view to serve the cause of education in Karnataka.

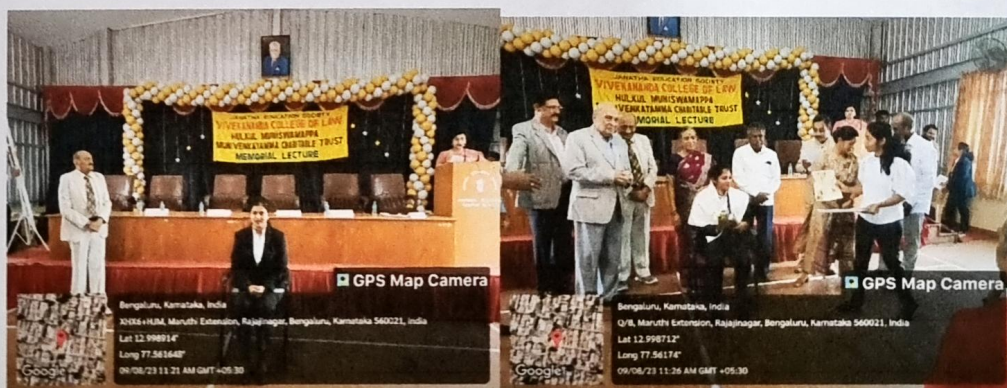

It was observed by Janatha Education Society (JES) from applications of students received for admission to various institutions managed by it, that some of the applicants belong to poor families in the neighborhood & a major chunk of them commute every day from nearby rural places for pursuing their education

Janatha Education Society, has conceptualised the student Aid Fund Scheme with a motto to fulfil the constitutional goal of SOCIAL JUSTICE.

The Committee through an interview with the enlisted number of students & their parents finalises the list of candidates for grant of scholarship in a uniform & transparent manner.

The Student Aid Scholarship awarded is not a mere financial assistance but a TESTIMONIAL OF MERIT CUM ACADEMIC ACHIEVEMENT. Its positive impact will be enjoyed by generations to come, fostering long lasting changes in society, & creating a fairer world, where everyone shall have equal opportunities and access to resources.
